

PRME Principles for Responsible
Management Education

GLOBAL FORUM
for Responsible Management Education

Closing Session
17:00-17:30, 15 June 2012
Alhambra 1 and 2

Overview

The closing session of the 3rd Global Forum for Responsible Management Education will provide the opportunity to identify key recommendations for leaders of Higher Education Institutions, business, and government on what is needed to scale up the practices and innovative solutions substantiated at the Global Forum. The outcomes will be presented to high-level representatives of the United Nations and the Federal Republic of Brazil. This closing session of the Global Forum will be followed by the official opening session of the Rio+20 Corporate Sustainability Forum.

Programme
